Discussions: Two Grants out of Six

- One to Rio Arriba and one to Pretrial Services
- Both grants were around \$70,000.00

Discussion

- Reminder of the upcoming meeting Tuesday July 25 with all three counties
- Call for agenda items

Introduction of some upcoming things

- Sentencing Commission is working on a new project regarding diversion and will present it to the First Judicial at the July meeting
- Spoke with the National Institute of Corrections to put together an evidence based sentencing training and follow up programing for the First Judicial. Initial meeting on June 5<sup>th</sup> went well. Seems like something that the NIC is interested in supporting. Next meeting should involve the Sentencing Subcommittee to discuss goals with the NIC CJCC Liaison.

Upcoming grant deadline is October 20, 2023.

- Suggestions from Jamie include ordering our grants in terms of priority.
- Ask Jamie if he has anything else to add

Ask for feedback on our subcommittee process and how the group felt the grant application process went. Changes for next time?
