I. **Introduction**

A. **Definitions of Terminology**

This section contains definitions that are used throughout this procurement document, including appropriate abbreviations.

“CJCC” means Criminal Justice Coordinating Council.

“Court” or “FJDC” means the Judicial entity issuing the RFP.

“Contract” means an agreement for the procurement of items of tangible personal property or services.

“Criminal Justice Coordinating Council Coordinator” or “CJCC Coordinator” means the professional providing support to the CJCC. The program does not discriminate based on race, ethnicity, gender, gender identification, color, sexual orientation, sexual identity, religion, socioeconomic status, or physical/mental disability.

“Evaluation Committee” means a body appointed by the Court to perform the evaluation of offeror proposals.

“Finalist” is defined as an offeror who meets all the mandatory specifications of the Request for Proposal and whose score on evaluation factors is sufficiently high to qualify that offeror for further consideration by the Evaluation Committee.

“Offeror” or “offeror” is any person, firm, corporation or partnership who chooses to submit a proposal.

“Procurement Manager” means the person authorized by the FJDC to manage or administer a procurement requiring the evaluation of competitive sealed proposals.

“Proposal” means all documents and transmissions **used** by the offeror to respond to the RFP.

“Request for Proposal” or “RFP” means all documents, including those attached or incorporated by reference, used for soliciting proposals.

“Responsible Offeror” means an offeror who submits a responsive proposal and who has furnished when required, information and data to provide that his financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory deliver of the services or items of tangible personal property described in the proposal.

“Term” means the time period beginning with a contract’s execution and ending on June 30, 2027, unless extended in compliance with the contract and all applicable law. The Contract will be for approximately a seven-month period beginning December, 2026. Renewal or additional terms of the Contract for each additional year is subject to the conditions set forth in the Contract, contingent upon satisfactory Contract compliance by the contractor as determined by the Court, and contingent upon the availability of sufficient funding.

B. Purpose of this Request for Proposal

This RFP has been developed for the purpose of soliciting, evaluating, and selecting a vendor in a fair and competitive manner for a contract to provide criminal justice coordination services. If an offeror fails to meet any mandatory items set forth in this RFP, the proposal will be declared non-responsive.

All costs incurred by the offeror in the preparation, transmittal, or presentation of any material submitted in response to this RFP shall be borne solely by the offeror, whether or not the offeror is the selected offeror.

Before the award is made, the FJDC may conduct discussions with Offerors who submit proposals that are determined to be reasonably susceptible of being selected for awards. The award may be made without such discussions.

When it is in the best interest of the State of New Mexico, the RFP may be canceled, or any and all proposals may be rejected in whole or in part.

Any contract awarded as a result of this RFP process may be terminated or reduced in scope if sufficient appropriations or authorizations do not exist. Such termination will be determined by the Court by sending written notice to the contractor. The Courts decisions as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

If the determination is made that there is sufficient funding to continue or finalize a program, the contractor will be compensated to the level of services preformed, as authorized by the Court prior to that determination. This provision however, is not exclusive and does not waive other legal rights and remedies afforded the Court in such circumstances as contractor defaults or breach of the contractor.

C. Background Information

The First Judicial District Court is soliciting proposals for a contractor to provide the following services: Criminal Justice Coordinating Council coordinator (“CJCC Coordinator”). The CJCC Coordinator will provide essential support to the CJCC as further described below.

D. Summary of Scope of Work

The focus of the program contract services is to support the First Judicial District's Criminal Justice Coordinating Council in order to achieve all objectives and operational needs as follows:

- (1) review the criminal justice system in the judicial district, including judicial processes, law enforcement, community corrections alternatives and sufficiency of jail and detention facilities;
- (2) identify criminal justice system problems in the judicial district;
- (3) develop data-driven policies and evidence-based best practices designed to improve public safety outcomes, cost-effective responses to crime and fair and efficient adjudication processes;
- (4) facilitate applications from its members for crime reduction grants pursuant to the Crime Reduction Grant Act;
- (5) facilitate sharing of criminal justice information between agencies as permitted by law; and
- (6) in consultation with the New Mexico Sentencing Commission, develop data-sharing agreements and methods of data sharing to allow system-wide analysis of criminal justice operations within the judicial district and throughout the state" (collectively, the "Statutory Requirements").

The initial contract shall begin on December 1st, 2026 through June 30th, 2027 and may be extended additional years contingent upon satisfactory contract compliance by the contractor as determined by the Court, upon sufficient funding, and subject to all other additional conditions set forth in the Contract. The scope of this procurement includes professional services only. The FJDC reserves the option of renewing the initial contract on an annual basis consistent with Section 13-1-150, NMSA 1978.

(See Section II, Paragraph A). Acknowledgement form should be submitted to the following email: 23100RFP@nmcourts.gov labeled as “Acknowledgement of Receipt RFP.”

The procurement distribution list shall be used for the distribution of written responses to questions and any RFP amendments. 3. Deadline to Submit Written Questions

Potential offerors may submit questions as to the intent or clarity of this RFP until **09/14/2026, 3:00 PM MOUNTAIN TIME** on the date indicated in the Sequence of Events Section. Additional written requests for clarification of distributed answers and/or amendments must be received by the Procurement Manager no later than three (3) days after any response and/or amendments are issued.

5. Submission of Proposal

ALL OFFEROR PROPOSALS MUST BE RECEIVED FOR REVIEW AND EVALUATION BY THE PROCUREMENT MANAGER NO LATER THAN 3:00 PM MOUNTAIN TIME on the date indicated in the Sequence of Events Section. (See Section II, Paragraph A). Time is of the essence for submitting proposals and proposals received after this deadline will not be accepted. The date and time of receipt will be recorded on each proposal. Proposals must be addressed and delivered to the Procurement Manager at the email address listed in Section I, Paragraph C.

A public log will be kept of the names of all offerors. Pursuant to Section 13-1-116, NMSA 1978, the contents of any proposal shall not be disclosed to competing offerors during the negotiation process. The negotiation process is deemed to be in effect until the contracts are awarded pursuant to this Request for Proposals. Awarded in this context means the final required state agency signature on the contracts resulting from the procurement has been obtained.

6. Campaign Contribution Disclosure

Potential offerors must submit with their response to proposal, on the date indicated in the Sequence of Events Section (see Section II, Paragraph A), the “Campaign Contribution Disclosure Form” that accompanies this document (See Attachment B) with their proposal by 10/23/2026.

Pursuant to NMSA 1978, 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to**

conserve natural resources must file this form (Attachment B) with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two-year period.

7. Proposal Evaluation

The evaluation of proposals will be performed by an evaluation committee appointed by the FJDC. This process will take place on the dates indicated in the Sequence of Events Section. (See Section III, Paragraph A). During this time, the Procurement Manager may, at his option, initiate discussions with the offerors who submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals, but proposals may be accepted and evaluated without such discussions. Discussions SHALL NOT be initiated by the offerors.

8. Selection of Finalists

The Evaluation Committee will select and Procurement Manager will notify the finalists offerors on the date indicated in the Sequence of Events section. Only finalists will be invited to participate in the subsequent steps of the procurement.

9. Oral Presentations

Finalist offeror(s) may be asked to conduct an oral presentation at a time and location to be determined per the schedule in Section II, Paragraph A, Sequence of events. Whether or not oral presentations will be held is at the discretion of the evaluation committee and the agency Procurement Manager.

10. Best and Final Offers from Finalists

Finalist offerors may be asked to submit revisions to their proposals for the purpose of obtaining best and final offers on the date indicated in the Sequence of Events section.

11. Finalize Contractual Agreements

The contracts will be finalized with the most advantageous offeror on the date indicated in the Sequence of Events Section. In the event that mutually agreeable terms cannot be reached within the time specified, the agency reserves the right to finalize a contract with the next most advantageous offeror without undertaking a new procurement process.

12. Contract Award

The contracts shall be awarded to the offeror or offerors whose proposal is most advantageous to the State of New Mexico and the FJDC, taking into consideration the evaluation factors set forth

in the RFP, by the date indicated in the Sequence of Events section. The most advantageous proposal may or may not have received the most points.

13. Protest Deadline

Any protest by an offeror must be timely and in conformance with Section 13-1-172, NMSA 1978, and applicable procurement regulations. **Protests of the solicitation or award must be delivered by e-mail to the Protest Manager.** As a Protest Manager has been named in this Request for Proposals, pursuant to NMSA 1978, § 13-1-172, ONLY protests delivered directly to the Protest Manager in writing and in a timely fashion will be considered to have been submitted properly and in accordance with statute, rule and this Request for Proposals. The fifteen (15) day protest period for responsive offerors shall begin on the day following the contract award and will end at 3:00 **PM MOUNTAIN TIME** on the date indicated in the Sequence of Events Section (12/10/2026). (See Section II, Paragraph A). A protest must be written and must include the name and address of the protestor. It must also contain a statement of grounds for protest including appropriate supporting exhibits, and it must specify the ruling requested from the Procurement Manager. The protest must be delivered to the protest manager indicated in Section I, paragraph C.

C. General Requirements

This procurement will be conducted with FJDC's guidelines governing procurement.

Acceptance of Conditions Governing the Procurement

Offerors must indicate their acceptance of the conditions governing the procurement section in the letter of transmittal.

Incurring Costs

Any cost incurred by the offeror in preparation, transmittal, presentation of any proposal or material submitted in response to this RFP shall be borne solely by the offeror.

1. Prime Contractor Responsibility

Any contract that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of the contract by the FJDC. The prime contractor shall be wholly responsible for the entire performance, whether or not subcontractors are used. The FJDC will make contract payments to only the prime contractor.

2. Subcontractors

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. The contractor/offeror shall not subcontract any portion of the services to be performed under either contract which this RFP covers without the written approval of the FJDC. The prime contractor shall be wholly responsible for the entire performance, whether or not subcontractors are used.

3. Amended Proposals

An offeror may submit an amended proposal consistent with the submission requirement contained in this RFP, and shall be submitted via e-mail, before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The FJDC personnel will not merge, collate, or assemble proposal materials. Amended proposals shall be sent to the RFP email: 23100RFP@nmcourts.gov

4. Offerors' Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The offeror must submit a written withdrawal request signed by the offeror's duly authorized representative addressed to the Procurement Manager.

5. Deadline to Submit Proposal

Responses to this RFP will be considered until Submission of Proposal deadline, October 23, 2026 in the Sequence of Events Section (see Section II, Paragraph A).

6. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

7. Disclosure of Proposal Contents

The proposals will be kept confidential during the evaluation process and until a contract is awarded. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for the material which is proprietary or confidential, pursuant to the New Mexico Inspection of Public Records Act, NMSA 1978, § 14-2-1 *et seq.* The Procurement Manager will not disclose or make public any pages of a proposal which the offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements.

An applicant may request in writing non-disclosure of confidential data. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal. Confidential data is normally restricted to confidential financial information concerning the offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, 57-3-A-1 to 57-3-A-7, NMSA 1978.

If a request is received for disclosure of data for which an offeror has made a written request for confidentiality, the Procurement Manager shall examine the offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the offeror takes legal action to prevent the disclosure, the proposal will be disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

All proposals received by the First Judicial District Court on or before the submission deadline shall become the property of that office and shall not be returned to the offeror. The First Judicial District Court shall have the right to use any or all ideas contained in the proposal. Acceptance or rejection of a proposal shall not affect this right.

8. No Obligation

This procurement in no manner obligates the FJDC or any of its departments or agencies to the service offered until a valid written contract is awarded and approved by appropriate responsible authorities of the FJDC, the Courts, and of the offeror.

9. Termination

This RFP may be cancelled at any time and any and all proposals may be rejected in whole or in part when the FJDC determines such action to be in the best interest of the FJDC and the State of New Mexico.

10. Sufficient Appropriation

Any contracts awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such termination will be effected by sending written notice to the contractor. The FJDC's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

11. Legal Review

The FJDC requires that all offerors agree to be bound by the General Requirements contained in the RFP. Any offeror concerns must be promptly submitted in writing to the attention of the Procurement Manager.

12. Governing Law

This procurement and any agreement with offerors that may result shall be governed by the laws of the State of New Mexico.

13. Basis for Proposal

Only information supplied by the FJDC in writing through the Procurement Manager or in this RFP should be used as the basis for the preparation of offeror proposals.

14. Contractual Terms and Conditions

The contracts between the FJDC and the contractor or contractors will follow the format specified by the FJDC and contain the terms and conditions set forth in the sample contracts (Attachment A). However, the FJDC reserves the right to negotiate provisions with a successful offeror in addition to those contained in this RFP. The contents of this RFP, as revised and/or supplemented, and the successful offerors proposal will be incorporated into the contract.

The FJDC discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract (Attachment A). Such exceptions may cause a proposal to be rejected as

nonresponsive when, in the sole judgment of the FJDC (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an offeror object to any of the FJDC's terms and conditions, as contained in this Section or in Attachment A, that offeror must propose **specific** alternative language. The FJDC may or may not accept the alternative language. General references to the offeror's terms and conditions or attempts at complete substitutions of the Sample Contracts are not acceptable to the FJDC and will result in disqualification of the offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful offeror), no proposed alternate terms and conditions will be considered during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful offeror) is an **explicit agreement** by the offeror that the contractual terms and conditions herein are **accepted** by the offeror.

All contracts for professional services are subject to the review and approval by the FJDC.

15. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions which they expect to have included in any contract negotiated with the FJDC.

16. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful offeror), will be discussed only between the FJDC and the selected offerors and will not be deemed an opportunity to amend the offeror's proposal.

17. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any offeror who is not a responsible offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85, NMSA 1978.

18. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposal failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. The right to waive minor irregularities and mandatory requirements is at the sole discretion of the evaluation committee.

19. Change in Contractor Representatives

The FJDC reserves the right to require a change in contractor representatives if the assigned representatives are not, in the opinion of the FJDC, adequately meeting the needs of the FJDC.

20. Notice of Criminal Penalties

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and misdemeanor criminal penalties for its violation. In addition, the New Mexico Criminal Statutes impose felony penalties for bribes, gratuities and kick-backs.

21. FJDC Rights

The FJDC reserves the right to accept all or a portion of an offeror's proposal.

22. Right to Publish

Throughout the duration of this procurement process and contract term, potential offerors, offerors, and Contractors must secure from the FJDC written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement or the subsequent contract. Failure to adhere to this requirement may result in disqualification of the offeror's proposal or termination of the contract(s).

23. Ownership of Proposals

All documents submitted in response to this RFP will become the property of the FJDC and the State of New Mexico.

24. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Court. The contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the FJDC's written permission.

25. Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (email). Offeror must have a valid email address to receive this correspondence.

26. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. The offeror acknowledges and accepts full responsibility to ensure that no changes are made to the RFP. In the event of conflict between a version of the RFP in the offerors possession and the version maintained by the FJDC, the offeror acknowledges that the version maintained by the FJDC shall govern.

27. Suspension and Debarment Requirement

The offeror shall certify, by signing the agreement attached hereto as Attachment C that to the best of its knowledge and belief that the offeror and/or its principals are not or have not been debarred, suspended, proposed for debarment or declared ineligible for the award of contracts by any Federal department or agency.

28. New Mexico/Native American Resident Preferences

To ensure adequate consideration and application of NMSA 1978, § 13-1-21 (as amended), Offeror must submit a copy of its valid New Mexico/Native American Resident Preference Certificate or its valid New Mexico/Native American Resident Veteran Preference with its proposal. Certificates for preferences must be obtained through the New Mexico Department of Taxation & Revenue <http://www.tax.newmexico.gov/Businesses/in-state-veteran-preference-certification.aspx>.

29. Cost

Offerors shall provide a cost proposal describing estimated costs for each Key Deliverable Category as described in Attachment A, Sample Contract, Exhibit B – Compensation Schedule. The cost proposal may be in narrative form, Excel spreadsheet, or any format that the offeror determines is most appropriate for clearly communicating the offeror’s cost to meet the Key Deliverables. Costs should be based on a maximum budget of \$120,000 with a plan for meeting all Milestones (as described in Attachment A, Sample Contract, Exhibit B – Compensation Schedule) on or before June 30, 2027. Costs provided by the offeror must include all labor, materials, equipment, transportation, and other resources that the Offeror intends to use in order to provide the Key Deliverables. The FJDC will only compensate the contractor for services or goods described in the proposal.

III. SPECIFICATIONS

This section contains relevant information concerning the task to be performed by the contractor. Offerors should respond in the form of a narrative to each specification. The narrative along with supporting material will be evaluated accordingly.

Certification regarding Debarment, Suspension, Proposed Debarment and Other Responsibility Matters

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT AND OTHER RESPONSIBILITY MATTERS

The entering of a contract between FJDC and the successful offeror pursuant to this RFP is a “covered transaction,” as defined by 48 C.F.R. Part 9. FJDC’s contract with the successful offeror shall contain a provision relating to debarment, suspension, and responsibility substantially in the form contained in Article 39 of Attachment D. All offerors must provide as a part of their proposals a certification to FJDC in the form provided below. Failure of an offeror to furnish a certification or provide such additional information as requested by the Procurement Manager for this RFP will render the offeror non-responsible. Furthermore, the offeror shall provide immediate written notice to the Procurement Manager for this RFP if, at any time prior to contract award, the offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Although FJDC may review the veracity of the certification through the use of the federal Excluded Parties Listing System or by other means, the certification provided by the offeror in paragraph (a), below, is a material representation of fact upon which FJDC will rely when making a contract award. If it is later determined that the offeror knowingly rendered an erroneous certification, in addition to other remedies available to FJDC, FJDC may terminate the contract resulting from this request for proposals for default.

The certification provided by the offeror in paragraph (a), below, will be considered in connection with a determination of the offeror’s responsibility. A certification that any of the items in paragraph (a), below, exists may result in rejection of the offerors proposal for non-responsibility and the withholding of an award under this RFP. If the offerors certification indicates that that any of the items in paragraph (a), below, exists, the offeror shall provide with its proposal a full written explanation of the specific basis for, and circumstances connected to, the item; the offerors failure to provide such explanation will result in rejection of the offerors proposal. If the offerors certification indicates that that any of the items in paragraph (a), below, exists, FJDC, in its sole discretion, may request, that the U.S. Department of Health and Human Services grant an exception under 48 C.F.R. §§ 9.4 if FJDC believes that the procurement schedule so permits and an exception is applicable and warranted under the circumstances. In no event will FJDC award a contract to an offeror if the requested exception is not granted for the offeror.

(a)(1) By signing and submitting a proposal in response to this RFP, the offeror certifies, to the best of its knowledge and belief, that:

(i) The offeror and/or any of its Principals-

(A) Are ☐ are not ☐ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal department or agency;

(B) Have ☐ have not ☐, within a three-year period preceding the date of the offerors proposal, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property;

(C) Are ☐ are not ☐ presently indicted for, or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this certification;

(D) Have ☐ have not ☐, within a three-year period preceding the date of offerors proposal, had one or more public agreements or transactions (Federal, State or local) terminated for cause or default; and

(ii) "Principal," for the purposes of this certification, shall have the meaning set forth in 48 C.F.R. § 9.4 and shall include an officer, director; owner, partner, principal investigator, or other person having management or supervisory responsibilities related to a covered transaction. "Principal" also includes a consultant or other person, whether or not employed by the participant or paid with Federal funds, who: is in a position to handle Federal funds; is in a position to influence or control the use of those funds; or occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the covered transaction.

(iii) For the purposes of this certification, the terms used in the certification, such as covered transaction, debarred, excluded, exclusion, ineligible, ineligibility, participant, and person have the meanings set forth in the definitions and coverage rules of 48 C.F.R. Part 9.

(iv) Nothing contained in the foregoing certification shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
